

## REMARKS

Applicant respectfully requests that the foregoing amendments be made prior to examination of the present application. As noted above, with the exception of claims 13 and 37 which are provisionally withdrawn the remaining claims as originally filed or currently amended are either generic or cover Species B (FIGs. 11-15).

In the specification, paragraph 0045 has been amended to correct the reference numeral of the cap which was inadvertently labeled 114 but should be labeled 14 is supported by the specification and drawings. No new matter has been introduced as a result of this correction.

Claims 13 and 37 are withdrawn.

Claims 1 and 22 are currently being amended.

This amendment adds, changes and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

After amending the claims as set forth above, claims 1-48 are now pending in this application, with claims 13 and 37 being currently withdrawn.

Applicant believes that the present application is now in condition for allowance. Favorable consideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,

Date 10/19/05
